

Maryland

Fun Facts:

Maryland is often referred to as "America in Miniature" due to the variety in its terrain.

Maryland is one of two states that gave up some of its land to help form the Nation's capital in 1790.

Annapolis once served as the capital of the US (1783 – 1784).

7th State to join the Union
on April 28, 1788.
